Quote of the Week:

“...hospitality, which is one of the works of mercy, is revealed as a truly human and Christian virtue, a virtue which in today’s world is at risk of being overlooked. ... Various institutions are opened to care for many types of disease, of loneliness, of marginalization, but opportunities are decreasing for those who are foreign, marginalized, excluded from finding someone ready to listen to them: because they are foreigners, refugees, migrants. Listen to that painful story. Even in one’s own home, among one’s own family members, it might be easier to find services and care of various kinds rather than listening and welcome. Today we are so taken, by excitement, by countless problems—some of which are not important—that we lack the capacity to listen. We are constantly busy and thus we have no time to listen. I would like to ask you, to pose a question to each of you, each one answer in your own heart: do you, husband, take time to listen to your wife? And do you woman, take time to listen to your husband? Do you, parents, take time, time to ‘waste’, to listen to your children? or your grandparents, the elderly?— ‘But grandparents always say the same things, they are boring...’—But they need to be listened to! Listen. I ask that you learn to listen and to devote more of your time. The root of peace lies in the capacity to listen.”

~ Pope Francis, Angelus 7/17/2016

FROM THE PASTOR. . .

To all of the good people of St. Luke,

A major endowment campaign is currently underway at St. Luke Parish and throughout the Diocese of Trenton. This week I will be sharing the diocesan components of the *Faith to Move Mountains* Campaign for the Diocese and our parish.

Our Parishes –\$30 Million

A minimum of 30%, or \$22.5 million, of the funds collected at the parish level will remain at the individual parish to address their own local needs. Once a parish has reached its goal, the allocation of funds will reverse and the parish will receive 70% of all additional monies collected. Additional funds will provide an endowment for parishes experiencing critical financial circumstances (**\$7.5 million**).

Ordained Ministry –\$20 Million

- Increase the current endowment for our retired clergy who have dedicated their lives to their parish communities. In the next 10 years alone, 44% of our priests will be eligible for retirement!
- Supplement current and future education costs for our growing class of seminarians, as it costs approximately \$40,000 to educate one seminarian for one year.
- Expand the diaconate program to serve communities requiring excellent homilies, sacramental preparation and spiritual direction.

Catholic Schools –\$15 Million

- Provide additional sponsorships for “seats” at a school reflecting the **total cost** of educating the student, which has risen to nearly \$7,000 each year.
- Support our “Mission Schools,” which serve underprivileged children from ethnically diverse communities with limited access to a quality Catholic education.
- Provide administrative and operational support to continue building the Catholic Alumni Partnership (CAP) program, which has already raised more than \$180,000 for tuition assistance, technology upgrades, and local campus needs since its launch in 2013.

Catechesis and Evangelization – \$5 Million

- Provide financial assistance for full certification for all of our catechists and scholarship assistance for parish leaders (DRE’s, Youth Directors, etc.) so that all serving in this role will have or be pursuing a master’s degree in in such programs as pastoral theology, ministry, and liturgy.
- Support the organized training of adult formation teams, strengthen existing programs, or create new ones at each parish.
- Build a comprehensive network upon our parish evangelization ministries in order to empower every parish community to deepen the spiritual lives of its people, reach out to those who have left the Church, and welcome all those who are coming to the faith for the first time.

Social Services –\$5 Million

- Award grants to parishes and Catholic Social Service agencies to respond to the increasing needs of those struggling in their communities.
- Provide professional assistance to parishes with a critical need for counseling services among their parishioners suffering from addiction, loss of a loved one, divorce, and other mental health issues.

Next week, I will share further details about how the campaign funds will directly impact our Diocese and our community here at St. Luke. Thank you for your continued prayers and support.

God bless,
Father Bob
